

What's in the Bible? Lesson 12

APRIL 11

Elijah's Alter - 1 Kings 18

Purpose: To remind the children of the story of Elijah building an alter that God lit aflame.

Supplies: Yellow, orange or red tissue paper (construction paper can be a substitute), tealight candle, twigs, glue.

- 1) Feel free to have the kids go outside to collect the small twigs themselves, then have the break them into 1in-2in pieces.
- 2) Cut the paper into strips double the height of the candle's wax, then create a flame pattern, if you have young children you may have to help them.
- 3) Glue the different layers of the flames around the exterior of the candle.
- 4) Slowly glue the sticks around the base, slowly building them up until they reach the top edge of the candle.
